

Never Miss a Collection Day Again

Your personalised fortnightly collection calendar, always on your phone.

Did you know Recyclean includes a built-in collection calendar that tells you exactly when your next recycling pick-up is, right down to the day? Many households miss their fortnightly collection simply because they forgot the date. With the Recyclean Calendar, that problem disappears completely.

Why Use the Collection Calendar?

CAL

Know Your Date

Your zone's fortnightly schedule is saved - no more guessing or checking leaflets.

COUNT

Live Countdown

A live countdown in the app header shows exactly how many days until pick-up.

VIEW

Visual Calendar

A colour-coded mini-calendar highlights upcoming, skipped and rescheduled dates.

MAP

5 Zones Covered

West Coast, Centre Town, Port Louis/Pailles and East Coast - pick your zone.

SKIP

Holiday Reschedule

Mark any date as skipped or rescheduled - the calendar updates automatically.

LOG

Missed Collection Log

Report a missed truck instantly through the app and keep a full record.

How to Set Up Your Calendar in 3 Steps

1 Open the Calendar Tab

Tap the "Cal" tab at the bottom of the Recyclecan app.

2 Select Your Collection Zone

Choose "Select Zone" and pick the zone for your area (A to E). Your fortnightly dates load instantly.

3 Save and You Are Done

Tap "Save Schedule". The countdown appears in the header straight away and the mini-calendar fills with all your upcoming collection dates.

Collection Zones at a Glance

Zone	Area Covered	Collection Day
Zone A	West Coast	Monday
Zone B	West Coast	Tuesday
Zone C	Centre Town	Wednesday
Zone D	Port Louis / Pailles	Thursday
Zone E	East Coast	Friday

* Collections are fortnightly (every 2 weeks). Dates in-app are always up to date.

Pro Tips for Getting the Most Out of Your Calendar

- Turn on browser notifications so Recyclecan reminds you 1 day before collection.
- Tap 'Missed' if the truck did not come - your report helps track service gaps.
- Going away? Use the reschedule tool to note date changes in advance.
- Install Recyclecan as a PWA (Add to Home Screen) for quick one-tap access anytime.

Start using the Calendar today - it takes under 30 seconds to set up.

Visit recyclecan.replit.app or install the app directly on your phone.
